

DETUNDA

100% Organic White

Sauvignon Blanc

We passionately believe that organic grapes make better wine. So we have made this wine 100% organic.

This organic Sauvignon Blanc wine is as nature intended it to be, pure and pleasurable, made only with the gentlest touch of our winemaker.

The grapes used in this wine are all grown using certified organic practices, such as composting, cover crops and biodiversity. These organic practices produce grapes that offer a quality of fruit and vibrancy of taste that allows us to create a wine that expresses the purity and intensity of the most pure Sauvignon Blanc grape.

Delight yourself by taking a sip of nature.
